### SCI-A3 Mission

The SCI-Arc Alumni Association (SCI-A3) works to identify and meet the needs of the alumni and to serve the larger interests of the school.

Our mission is to:

**BUILD** the alumni community

**PROMOTE** the work of the alumni

**EDUCATE** the alumni and current students

**SUPPORT** the institute

The SCI-Arc Alumni Association was established in 1998 to provide professional support to the alumni community and give back to the school. MAIN EVENT is the Association's largest and most established fundraising effort. Proceeds from this event benefit student scholarships and alumni outreach activities, while strengthening the link between SCI-Arc, its alumni and the community at large.
